

CLAIMS

I claim:

1. A shirt and blouse with a front side and a back side, comprising:

a false front on the front side to aestetically give an appearance of an actual front side of the shirt and blouse;

a means for fastening the shirt and blouse located on the back side of the shirt and blouse;

a pair of elongated straps that extend from the shirt and blouse that can be tied together to secure the shirt and blouse to the Alzheimer's patient; and

a pair of zip-off sleeves for added comfort.

2. The shirt and blouse according to claim 1, wherein the false front includes false pockets.

3. The shirt and blouse according to claim 2, wherein the false front includes false buttons.

4. The shirt and blouse according to claim 1, wherein the means for fastening is a zipper.

5. The shirt and blouse according to claim 1, wherein the means for fastening is a plurality of buttons.

6. The shirt and blouse according to claim 1, wherein the means for fastening is a plurality of clasps.

7. The shirt and blouse according to claim 1, wherein the means for fastening is a hook and loop fastener.

8. The shirt and blouse according to claim 1, wherein the means for fastening is a plurality of ties.

9. A pair of pants, pajamas and coveralls with a front side and a backside, comprising:

    a false front on the front side to aestetically give an appearance of an actual front side of the pair of pants, pajamas and coveralls;

    a means for fastening the pair of pants, pajamas and coveralls located on the backside of the pair of pants, pajamas and coveralls;

    a plurality of belt loops to hold and support a belt; an elastic waistband for comfort, and

a pair of zip-off legs for comfort.

10. The pair of pants, pajamas and coveralls according to claim 9, wherein the false front includes a false zipper and a false button-fly.

11. The pair of pants, pajamas and coveralls according to claim 10, wherein the false front includes a false belt buckle and false pockets.

12. The pair of pants, pajamas and coveralls according to claim 9, wherein the means for fastening is a zipper.

13. The pair of pants, pajamas and coveralls according to claim 9, wherein the means for fastening is a plurality of buttons.

14. The pair of pants, pajamas and coveralls according to claim 9, wherein the means for fastening is a plurality of clasps.

15. The pair of pants, pajamas and coveralls according to claim 9, wherein the means for fastening is a hook and loop fastener.

16. The pair of pants, pajamas and coveralls according to claim 9, wherein the means for fastening is a plurality of ties.

17. A dress and gown with a front side and a back side, comprising:

a false front on the front side to aestetically give an appearance of an actual front side of the dress and gown;

a means for fastening the dress and gown located on the back side of the dress and gown; and

a pair of zip-off sleeves for added comfort.

18. The dress and gown according to claim 17, wherein the false front includes false buttons.

19. The dress and gown according to claim 18, wherein the false front includes pockets.

20. The dress and gown according to claim 17, wherein the means for fastening are a plurality of buttons.

21. The dress and gown according to claim 17, wherein the means for fastening is a zipper.
22. The dress and gown according to claim 17, wherein the means for fastening is a hook and loop fastener.
23. The dress and gown according to claim 17, wherein the means for fastening is a plurality of clasps.
24. The dress and gown according to claim 17, wherein the means for fastening is a plurality of ties.
